

NSS HEALTH CAMP 26-08-2023

The NSS contingent has organized a free health camp in the Institute on 26th of August, 2023. The camp has been held from 10:00 AM in the morning to 4:00 PM in the afternoon. The Honorable Director, Dr. D. V. L. N. Somayajulu has inaugurated the Health Camp.

Students, especially the first years have utilized this opportunity to test their bodies and ensure normalcy. Technicians from Medicovert hospitals and Crown Dental hospitals have examined the students. The free checkups include an ECG, a blood sugar test, a blood pressure test and a Dental checkup. While no anomalies have been found, the doctors have prescribed Vitamin Tablets to all those who reported symptoms of deficiency.
